

APPEAL NO. 031913
FILED SEPTEMBER 5, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on June 17, 2003. The hearing officer resolved the disputed issues by deciding that the appellant (claimant) did not sustain a compensable injury on _____, and that the claimant has not had disability. The claimant appeals, contending that the hearing officer's decision is against the great weight of the evidence. The respondent (carrier) asserts that sufficient evidence supports the hearing officer's decision.

DECISION

Affirmed.

The claimant had the burden to prove that he sustained a compensable injury as defined by Section 401.011(10) and that he had disability as defined by Section 401.011(16). Conflicting evidence was presented on the disputed issues. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a). As the finder of fact, the hearing officer resolves the conflicts in the evidence and determines what facts have been established. We conclude that the hearing officer's decision is supported by sufficient evidence and that it is not so against the great weight and preponderance of the evidence as to be clearly wrong and unjust. Cain v. Bain, 709 S.W.2d 175 (Tex. 1986). Without a compensable injury, the claimant would not have disability as defined by Section 401.011(16).

We affirm the hearing officer's decision and order.
